RESEARCH SUPPORT

R01MH139215, McGinty & Zhang (MPI) — December 2024 – October 2029
National Institute of Mental Health — $4.0 million
Integrating Medicare and Medicaid for dual eligibles with serious mental illness: studying healthcare utilization, quality, and mortality

- This project aims to examine the impact and implementation of dual eligible special needs plans among dual eligibles with serious mental illness.
- **Role: Postdoctoral Associate**

Novartis Foundation, Zhang (PI) — June 2023 – July 2028
The Novartis Foundation — $1.6 million
Data-Driven Approach to Identify Determinants of Outcomes and Risk Factors of Cardiovascular Diseases in New York City Area

- This project uses machine learning methods and electronic health record data to identify social drivers of cardiovascular disease in New York City.
- **Role: Postdoctoral Associate**

PRESENTATIONS

Peer-reviewed Conference Presentations:

Mechanical Thrombectomy Use After Hospital Adoption of AI Stroke Triage:
- Asian Workshop on Econometrics and Health Economics — December 2026 (scheduled)
- The Washington Health Economics Symposium — October 2026

Association Between Enrollment in Integrated Special Needs Plans and Acute Care Utilization Among Dual Eligibles with Serious Mental Illnesses:
- The Annual Conference of the American Society of Health Economists — June 2026

Antibiotic Resistance, Drug Prices, and Entry:
- The International Health Economics Association Congress — July 2025
- The Annual Conference of the American Society of Health Economists — June 2025
- The Chinese Economists Society North America Annual Conference — March 2025
- Allied Social Science Associations Annual Meeting — January 2025

Invited Talk:
- University of Massachusetts Amherst — October 2026
- 2026 China-U.S. Education Forum, Columbia University — April 2026

TEACHING EXPERIENCE

Teaching Assistant & Lab Lecturer, Division of Health Policy and Economics, *Weill Cornell Medicine:*
- Applied Machine Learning in Health Policy & Economics (Master's, 30 students) — Summer 2025, 2026
- Application in Econometrics and Data Analysis (Master's, 60 students) — Summer 2026

Teaching Assistant & Teaching Fellow, Department of Economics, *Boston University:*
- Introduction to Health Economics (undergraduate, 40 students) — Spring 2019 – Spring 2022

Introductory Macroeconomic Analysis (undergraduate, 120 students) Fall 2017 – Spring 2022
Health Economics (Master's, 40 students) Spring 2019 – Spring 2020
Energy and Environmental Economics (Master's, 40 students) Fall 2018

Teaching Assistant, Questrom School of Business, *Boston University:*
Data Analysis for Managerial Decision-Making (MBA, 40 students) Fall 2021

Guest Lecture:
Introduction to Health Services Research (Master's), Division of Health Policy and Economics, *Weill Cornell Medicine* Fall 2025
Health Economics (PhD), Department of Economics, *Boston University* Fall 2025

FELLOWSHIPS AND AWARDS

Dean's Fellowship, *Boston University* Fall 2016 – Spring 2021
Summer Stipend, Department of Economics, *Boston University* Summer 2017 – 2021
President's Commission on the Status of Women Senior Scholarly Activity Award, *Union College* 2016
Martin Terry Resch Prize, Department of Mathematics, *Union College* 2016
Seward Fellows, *Union College* Spring 2014 – Spring 2016

PROFESSIONAL SERVICE

Conference Reviewer:
The International Health Economics Association Congress December 2026 (scheduled)
Annual Conference of the American Society of Health Economists January 2025

Journal Reviewer:
European Journal of Health Economics, Journal of Public Mental Health, BMC Health Services Research, *Health Communication, International Review of Law & Economics, International Journal of Bank Marketing, International Journal of Consumer Studies*

CERTIFICATIONS

Chartered Financial Analyst (CFA), Financial Risk Manager (FRM), SAS Certified Professional: *Advanced Programming Using SAS 9.4*

SKILLS

Language:
Fluent in English, Fluent in Japanese (JLPT-N1), Mother Tongue Chinese

Computer:
SAS, Python, R Programming, STATA, SQL, Mathematica, LaTeX, Microsoft Office

CITIZENSHIP/VISA STATUS

China/H1B
